COMPOUND INTEREST ANNUITY - TEXAS

ATLANTIC COAST LIFE
INSURANCE COMPANY

Explore, Dream, Discover

Atlantic Coast Life Insurance Company's Safe Haven Bonus Guarantee annuity was designed for those who are retired or nearing retirement. Planning for retirement is not always easy and sometimes the control is not yours. Safe Haven Bonus Guarantee offers you a flexible and guaranteed way to have the security and peace of mind you need to enjoy retirement.

Build your own retirement plan

Safe Haven Bonus Guarantee gives you control over the duration of the annuity, which can be five, six, seven or ten years.

Our annuity also offers optional features you are able to select to customize your plan whereas most other annuities are loaded with features you don't want or need, giving you a lower interest rate. With Safe Haven Bonus Guarantee, you pay only for the features you want, making your interest rate higher and your payout greater.

Safe Haven Bonus Guarantee

Multi-year Guaranteed Fixed Annuity

Guaranteed Interest Rates

Safe Haven Bonus Guarantee is a single premium-deferred annuity that earns a fixed rate of interest, allowing your money to grow on a tax-deferred basis. Our annuity offers multiple guarantee periods to align with your specific needs, and guarantees the interest rate for that entire guaranteed period.

Protection of Your Principal

The entire amount you invest goes to work for you immediately, earning a guaranteed rate for the period you select, regardless of what happens to the stock market, or interest rates. As long as you hold your contract for the length of the guarantee period, your principal and the interest you earn are guaranteed by the issuer.

Income Options

At the end of your initial guarantee period, you can withdraw your funds without incurring surrender charges or market value adjustment, renew your contract into a new guarantee period, or even convert your annuity into a stream of retirement income payments guaranteed for up to 20 years.

If you are seeking a simple, guaranteed way to build your retirement assets without the principal risk typically associated with stocks, bonds or mutual funds, we offer Safe Haven Bonus Guarantee Annuity.

Features & Benefits

Interest Bonus

Safe Haven Bonus Guarantee offers a 1% interest bonus in year 1. This will help increase your account early on, which will increase the total interest earned on your annuity.

Tax-Deferred Growth

Tax deferral means that you do not pay any taxes on earnings or growth until you take withdrawals. Tax deferral delays, but does not eliminate, the taxation of your annuity. You will pay taxes on earnings when they are withdrawn. In the meantime, your account grows three ways. You earn interest on your deposit, interest on the interest previously credited and you earn interest on money that would have otherwise gone to pay taxes during the deferral period.

Income

Safe Haven Bonus Guarantee can provide the important benefit of guaranteed income. Our annuity can provide you with a guaranteed income stream through the annuitization feature. You may select a period between 5 - 20 years, guaranteeing income for the specified amount of time. You elect to receive your payments monthly, quarterly, semi-annually or annually.

Renewal Feature

At the end of your guarantee period, you will have the option to renew your annuity for another guarantee period. We will contact you and provide a 30-day window to select a new guaranteed interest rate. During your 30-day window you can surrender your annuity for cash with no surrender charges or market value adjustment.

Probate Avoidance

By designating a beneficiary other than your estate, your annuity's death benefit will be paid directly to that beneficiary, thereby avoiding inclusion in a probated estate. This may minimize the delays, expenses and publicity often associated with the probate process.
