**NOTICE OF WITHHOLDING ON
PERIODIC DISTRIBUTIONS FROM ANNUITIES**

Federal income tax withholding applies to the taxable portion of your distribution or withdrawal. You must complete this election form before distributions or withdrawals may be made from your annuity.

If you elect not to have federal income tax withheld from your distribution or withdrawal payments, or if you do not have enough federal income tax withheld from your distribution or withdrawal, you may be responsible for payment of estimated tax. You may incur penalties under the estimated tax rules if your withholding and estimated tax payments are not sufficient.

We will send you a new Election Form each year to notify you of your right to have federal income tax withheld from your distribution or withdrawal. Your election stays in effect until you change or revoke it, so it is not necessary to submit a new form each year. Because your tax situation may change from year to year you may want to refigure your withholding each year.
