INSTRUCTIONS

Print or type information requested in items 1, 2, 3, 4. Make sure licensee's name is given exactly as it is on the license.

This form may be used to apply for a "grandfather" exemption, or for an extension of time to complete continuing education hours. Either option is open to both agents and adjusters. In item 5, mark the box that applies.

Exemption: Licensees who, on or after January 1, 2003, have been continuously licensed by the department for at least 20 years may apply for an exemption from the continuing education requirements. "Continually licensed" means that the licensee has held a department-issued license for the entire period of time without any lapse in excess of 90 days. Documentation will be requested from licensee if the department's records indicates that licensure does not total 20 years. See 28 Texas Administrative Code § 19.1004 for complete rules regarding licensee exemption from and extension of time for continuing education.

Extension of time to complete continuing education: The licensee may request an extension of time or a waiver, if prevented from completing the required 24 hours within the two year renewal cycle by illness, medical disability, non-business extenuating circumstances beyond the licensee's control, or because of active military service in a combat theater. Documentation required is listed in items 5.b. (A)-(F).

The department retains the right to audit any exemption or extension granted at any time.
