This document is designed to review some important things to think about before buying an annuity. This is a single premium annuity, which means you purchase the annuity with one payment. It is a fixed annuity, which means it earns a specific interest rate during the guarantee period.

A deferred annuity is a **long-term** financial product which may not be appropriate for short-term goals. This annuity grows by earning **tax-deferred** interest at a **guaranteed** rate for a **guaranteed** period. You can use an annuity to save money for retirement and then receive a retirement income for life.

This contract includes the following features:

- The guarantee period of this annuity is selected by **you** when you apply for the annuity. This period can be from 3 (three) to 10 (ten) years.
- There are no front-end sales charges or annual administrative fees. Some states charge a premium tax. Pacific Guardian Life deducts premium taxes if it is required to pay them.
- Withdrawals are subject to surrender charges varying from 0% to 10% of accumulated value. The contract does offer opportunities each year to withdraw some or all of the accumulated value without charge.
- During a given contract year, you may withdraw up to 10% of your contract's value without incurring a surrender charge. With the addition of our "Life Events" rider, beginning in the second policy year, you may even take an **additional** withdrawal of up to 10% without incurring a surrender charge, at any time you choose, and for any reason. This option may be exercised once over the life of your contract, and there is no charge for this rider.
- Upon death of the Owner, the accumulated value is payable to the designated beneficiary. Surrender charges will not apply.
- When you receive your annuity contract, you are given a 30-day **free look period**. If during this period you decide that you do not want this annuity, you may return it to us, and we will return your premium to you (less any withdrawals you have made).

The initial guarantee period interest rate will be clearly stated on the second page of your policy. It is guaranteed by Pacific Guardian Life for the duration of your entire initial guarantee period.

At the end of the initial guarantee period, you are given a 30-day window during which you can withdraw part or all of the accumulated value of your annuity, free of surrender charges. If you choose to continue your annuity, then Pacific Guardian Life will declare a new guaranteed interest rate for the next guarantee period. This rate will never be less than the nonforfeiture rate shown on the second page of your policy. This nonforfeiture rate may vary by state, but once the policy is issued, it will never change and it becomes the minimum credited rate for your policy through to maturity.

When you take payouts, surrender, or withdraw from your annuity, you pay ordinary income taxes on the interest earned. You may also pay a 10% federal income tax penalty on earnings withdrawn prior to age 59 ½.

Withdrawals in excess of 10% of the annuity value in a given policy year are subject to the following schedule of surrender charges:

Year of Guarantee Period	1	2	3	4	5	6	7	8	9	10
Surrender Charge Percentage	9%	8%	7%	6%	5%	4%	3%	2%	1%	0%

Surrender charges reset when the guarantee period resets.

Pacific Guardian Life will waive all surrender charges beginning on the policy anniversary following your 95th birthday.

Once payouts from your annuity begin, you may not make any withdrawals from it.

We may make changes to your annuity contract from time to time in order to conform to federal or state laws. If we do, we will advise you about the changes in writing.

If you have any questions regarding this annuity, please feel free to contact Client Relations at clientrelations@pacificguardian.com, or call us toll-free at (800) 367-5354. Our website can be found at www.pacificguardian.com.

IMPORTANT NOTICE: REPLACEMENT OF LIFE INSURANCE OR ANNUITIES

This document must be signed by the applicant and the agent (producer), if there is one,
and a copy left with the applicant.

Do you own existing, in-force policies or contracts on the same insured or annuitant? YES NO
 If the answer is "No", you may move directly to the certification and signatures on the next page.

You are contemplating the purchase of a life insurance policy or annuity contract. In some cases, this purchase may involve discontinuing or changing an existing policy or contract. If so, a replacement is occurring. Financed purchases are also considered replacements.

A replacement occurs when a new policy or contract is purchased and, in connection with the sale, you discontinue making premium payments on the existing policy or contract, or an existing policy or contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financed purchase.

A financed purchase occurs when the purchase of a new life insurance policy involves the use of funds obtained by the withdrawal or surrender of or by borrowing some or all of the policy values, including accumulated dividends, of an existing policy to pay all or part of any premium or payment due on the new policy. A financed purchase is a replacement.

You should carefully consider whether a replacement is in your best interests. You will pay acquisition costs and there may be surrender costs deducted from your policy or contract. You may be able to make changes to your existing policy or contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing policy and may reduce the amount paid upon the death of the insured.

We want you to understand the effects of replacements before you make your purchase decision and ask that you answer the following questions and consider the questions that follow them on this form.

1. Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to the insurer, or otherwise terminating your existing policy or contract? YES NO

2. Are you considering using funds from your existing policies or contracts to pay premiums due on the new policy or contract? YES NO

If you answered "yes" to either of the above questions, list each existing policy or contract you are contemplating replacing (include the name of the insurer, the insured or annuitant, and the policy or contract number if available) and whether each policy or contract will be replaced or used as a source of financing:

	Insurer Name	Contract or Policy No.	Insured or Annuitant	Replaced (R) or Financing (F)
1				
2				
3				

Make sure you know the facts. Contact your existing company or its agent (producer) for information about the old policy or contract. If you request one, an in force illustration, policy summary or available disclosure documents must be sent to you by the existing insurer. Ask for and retain all sales material used by the agent (producer) in the sales presentation. Be sure that you are making an informed decision.

The existing policy or contract is being replaced because: _____

QUESTIONS TO CONSIDER WHEN REPLACING LIFE INSURANCE OR ANNUITIES

A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the costs and benefits of your existing policy or contract and the proposed policy or contract. One way to do this is to ask the company or agent that sold you your existing policy or contract to provide you with information concerning your existing policy or contract. This may include an illustration of how your existing policy or contract is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies or contracts. You should discuss the following with your agent to determine whether replacement or financing your purchase makes sense:

PREMIUMS:

- Are they affordable?
- Could they change?
- You're older—are premiums higher for the proposed new policy?
- How long will you have to pay premiums on the new policy? On the old policy?

POLICY VALUES:

- New policies usually take longer to build cash values and to pay dividends.
- Acquisition costs for the old policy may have been paid, you will incur costs for the new one.
- What surrender charges do the policies have?
- What expense and sales charges will you pay on the new policy?
- Does the new policy provide more insurance coverage?

INSURABILITY:

- If your health has changed since you bought your old policy, the new one could cost you more, or you could be turned down.
- You may need a medical exam for a new policy.
- Claims on most new policies for up to the first two years can be denied based on inaccurate statements.
- Suicide limitations may begin anew on the new coverage.

IF YOU ARE KEEPING THE OLD POLICY AS WELL AS THE NEW POLICY:

- How are premiums for both policies being paid?
- How will the premiums on your existing policy be affected?
- Will a loan be deducted from death benefits?
- What values from the old policy are being used to pay premiums?

IF YOU ARE SURRENDERING AN ANNUITY OR INTEREST SENSITIVE LIFE PRODUCT:

- Will you pay surrender charges on your old contract?
- What are the interest rate guarantees for the new contract?
- Have you compared the contract charges or other policy expenses?

OTHER ISSUES TO CONSIDER FOR ALL TRANSACTIONS:

- What are the tax consequences of buying the new policy?
- Is this a tax free exchange? (See your tax advisor.)
- Is there a benefit from favorable "grandfathered" treatment of the old policy under the federal tax code?
- Will the existing insurer be willing to modify the old policy?
- How does the quality and financial stability of the new company compare with your existing company?

TAX INFORMATION RELATED TO DESIGNATION OF A NON-NATURAL OWNER

Please read the following if you intend to designate a non-natural entity as the owner of your Pacific Guardian Life Insurance Company Annuity Contract.

Definition of non-natural owner: a non-natural owner is something other than a living person, including trusts, estates, and other such entities.

The Tax Reform Act of 1986 made several changes to the Internal Revenue Code. For non-qualified annuities purchased after March 1, 1986, Section 72(u) of the Internal Revenue Code states that if an annuity contract is owned by a non-natural owner, the income of the contract shall be treated as ordinary income received or accrued by the owner during the taxable year. As a result, Pacific Guardian Life Insurance Company will treat this contract as owned by a non-natural owner unless this contract is:

- An annuity acquired by the estate of a decedent by reason of death of the decedent, or
- An annuity that is held by a trust or other entity as agent for a natural person.

If either of the above exceptions applies to you, Pacific Guardian Life Insurance Company will treat your contract as tax deferred. In order to notify Pacific Guardian Life Insurance Company of your qualifying exception, you must sign this form and submit it to the address indicated at the top of this page.

Pacific Guardian Life Insurance Company is unable to render tax advice, and therefore, we suggest that you consult your tax counsel or tax advisor to determine if Section 72(u) is applicable to you.

REQUIRED DOCUMENTATION

The following information is required, and should accompany this form:

- Articles of Incorporation or Trust documentation (i.e., proof that the entity/corporation/trust exists)
- Proof that the signer is authorized to sign on behalf of the non-natural owner
- W-9

ACKNOWLEDGEMENT AND SIGNATURES

I understand that under Section 72(u) of the Internal Revenue Code, a non-natural owner may own an annuity contract and be entitled to the tax-deferred status if certain circumstances apply. I certify that the trust and non-natural owner will qualify for the tax-deferral exception under Section 72(u) of the Code.

I have consulted with my tax advisor in determining qualification for one of the above exceptions. I hereby hold Pacific Guardian Life Insurance Company harmless from any adverse tax consequences that may arise as a result of an incorrect interpretation of these exceptions to Section 72(u).

This form can be used to assist you in providing the required documentation if an application is signed in a state other than the applicant/owner "Resident State."

Definitions

Resident State - is defined for this purpose as the state where a client or owner has his or her residence and receives mail on a regular basis. A residence can be a primary residence or vacation home. Please note, that a "Time Share" will be considered a temporary residence and therefore does not qualify for a primary residence under this form.

For business entity, "Resident State" is defined as the state where the business entity has its primary place of business or place of incorporation. For trusts, "Resident State" is defined as the state where the trust is located or where the trustee has an office or primary residence.

Application State - is where the applicant/ owner signed the application and where the policy is solicited and policy/contract is delivered. The "Application State" must be a state where the agent is licensed and the product is approved.

When a product is not available for sale in the owner's resident state, a resident is only allowed to purchase the product in another state if they provide a valid reason to be in the non-resident state, other than solely to purchase the product*.

I _____ (Owner/ Joint Owner) am a resident of the state of _____.

Acknowledgments

- ✓ All communications, sales material and negotiations of the application occurred in the Application State.
- ✓ The application was signed by the owner and the agent in the Application State.
- ✓ The owner will take delivery of the policy/contract issued in the Application State.

I understand that the solicitation for this policy and contract occurred in the Application State and that the laws of the Application State will govern all legal rights and obligations under the policy/contract applied for.
