As of October 1, 2009, rates for Equity- Indexed products will no longer be tracked in the Index.

Company Changes this month:

History of Company changes found under Articles Section on CD. (Company Mergers)

Abbreviations used:

IRP - Initial Rate Period (years)

S.P. - Surrender Penalty Period (years)

- Number of rate changes during period if more than one.

EAY1 - Effective Annual Yield including bonuses for Year 1

BR - Base Rate

P.A.Y. - Projected Average Yield.

For CD-type products, the average yield until surrender charges expire.

↑ Current Rate Higher than Previous Rate

↓ Current Rate Lower than Previous Rate

Note: Only the rates for the highest rates are shown for multi-tiered products.
