

MNL GUARANTEE PLUS®

ANNUITY DISCLOSURE STATEMENT

The MNL Guarantee Plus® is a single premium, multi-year guarantee annuity from Midland National that accumulates interest through a guaranteed interest rate that is set for a five-, seven- or nine-year period.

Accumulation Value

The Accumulation Value equals your premium, less withdrawals and applicable surrender charges, earning the guaranteed interest rate. This rate will be guaranteed for the chosen guarantee period. Ask your sales representative for the current interest rate.

Minimum Guaranteed Cash Value (MGCV)

The MGCV of this annuity is 100% of all premiums, less any withdrawals, accumulated at 3% interest per year, less any applicable surrender charges.

Surrender Charges

Surrender charges allow the Company to invest your money on a long-term basis. A surrender charge will be assessed in the event of a full or partial surrender exceeding the penalty-free withdrawal limit. This allows the Company to credit higher yields than possible with a similar annuity of a shorter term. **Please keep in mind that a surrender during the surrender period may result in a loss of principal.**

Renewal Feature

At the end of each selected guarantee period, you may choose to renew your annuity for another guaranteed interest period. Depending on your circumstances and financial goals, you can choose a shorter guarantee period with a lower interest rate or select a longer guarantee period and a higher rate. For your convenience, at the end of the guaranteed period if no election is made within 30 days your annuity will automatically renew for the same guarantee period previously chosen. (Within this 30-day window, no surrender charges or Interest Adjustment will apply.) After the 30-day window, a new guarantee period and surrender charge will be enforced.

Interest Adjustment

The MNL Guarantee Plus® includes an Interest Adjustment, which allows the Company to credit higher interest rates than on products without an Interest Adjustment. It is applied only during the surrender charge period to full surrenders and to any partial surrender in excess of the penalty-free amount. This adjustment will increase or decrease the Accumulation Value based on the change in interest rates during the period since you purchased your MNL Guarantee Plus® annuity. See the "Understanding the Interest Adjustment" brochure for full details.

Death Benefit

Midland National will waive all surrender charges upon the death of the owner or annuitant and will pay out the full Accumulation Value to your beneficiary. **Note:** If joint annuitants are named in the annuity, the Death Benefit will be paid at the second death. If joint owners are named in the annuity, the Death Benefit will be paid at the first death.

Refer to contract for complete details.

The use of living trusts with the sale of an annuity product can, in the appropriate circumstances, be a valuable planning device. Midland National strongly encourages you to consult your tax or legal advisor before establishing a living trust or purchasing any financial product in connection with utilizing a living trust. Neither Midland National, nor any agents acting on its behalf, should be viewed as providing legal, tax or investment advice. Consult with and rely on a qualified tax advisor.

The MNL Guarantee Plus® is issued in Texas by Midland National Life Insurance Company, 4601 Westtown Parkway, Suite 300, West Des Moines, Iowa on form AS086A42 (individual contract). The tax-deferred feature is not necessary for a tax-qualified plan. In such instances, you should consider whether other features, such as the Death Benefit, lifetime annuity payment and optional riders make the contract appropriate for your needs. Before purchasing this contract, you should obtain competent tax advice both as to the tax treatment of the contract and the suitability of the investment.
